

The NYWEA Western Chapter
Young Professionals Committee is
proud to announce our next event:

ROUNDTABLE: THE FUTURE OF THE WASTEWATER INDUSTRY

To be held in conjunction with the
Greater Buffalo Environmental Conference

Tuesday, March 20, 2007 – 2:45 PM
Hearthstone Manor
333 Dick Road, Depew, New York

- FREE -

Leaders from government, consulting, academia, regulatory, manufacturer's representatives, and an environmental group will provide their view on what are the important issues facing the wastewater industry in the upcoming years

After the roundtable, all Young Professionals are invited to enjoy the post-conference cocktail hour, free of charge.

This is a great opportunity for young wastewater professionals to discuss the future of our industry and to network with their colleagues.

We hope to see you there!
