

## CHAPTER MEETING

### “Sewer Maintenance Equipment Demonstrations & Operating Principles”

Join us to learn how to use the latest equipment to help maintain sanitary and storm sewers. The meeting will involve presentations and demonstrations of the following equipment.

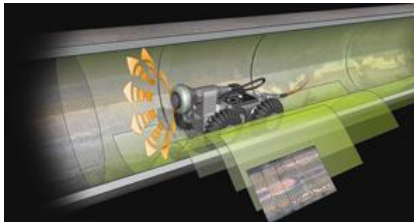

Camera equipment that you can use with a flush machine

Pipe patch, Seal Guard and Hyperflex – pipe and manhole coatings

Nozzles heads for flush machines

Envirosight

...and more

enz Chain Scraper

We would like to thank the Town of Tonawanda for making their facility and equipment available for this meeting.
